

It starts with you

EVERYONE 6 Months and Older Should Get A Flu Shot Every Year!

All individuals 65 and older, and those with special health conditions should also get a pneumococcal shot. Check with your healthcare provider to see if you have had the pneumococcal shot.

Public flu clinics are available in your area. Clinics are open to all students (must be accompanied by a parent), faculty, staff, support staff, and community members.

Please bring all of your insurance cards with you to the clinic. Your insurance will be billed first; any balance remaining (ie, co-pay, non-covered charges, etc) will be billed to you, per your insurance policy. If you do not have insurance, you will be responsible for the charges. Underinsured and uninsured individuals may be eligible for free vaccine or a sliding fee scale for immunizations. **No one will be turned away because of inability to pay.**
