

Planning for Agriculture in Ossian

Ossian Town Hall

Wednesday, April 12, 2017

5:00 – 8:00 pm

As part of the Agriculture & Farmland Planning Project, the Town of Ossian Ag & Farmland Planning Advisory Committee will host an informal workshop.

All people interested and involved with agriculture and farmland are encouraged to attend and participate.

Workshop activities will include panel presentations and group discussions. Topics will include agriculture and economic development, agriculture and forestland tax exemptions, succession planning, and land conservation techniques.

For more information contact Tom Depuy, Advisory Committee Chair, at 585-519-1919 or Planning Consultant Sheila Hess, CC Environment & Planning, at 585-219-4030.

All planning meetings are open to the public.
