

Dear Parents,
CASA-Trinity Prevention Services is working to enhance youth development, family and community connectedness, and healthy activities using unique and exciting tools.

The **Teen Space Summer Program** is open to youth 6th through high school interested in learning great skills to empower them to become stronger individuals by career technical skills, mindfulness, basic life skills – cooking, baking, sewing, exploration field trips to fun and exciting places each week, building and enhancing deep meaningful relationships with other youth, and much more – **all at NO cost to participants.**

This **9-week program** is a great opportunity for your son or daughter to engage in healthy fun in a safe environment. We will play fun and interactive games that focus on topics such as being a good friend, social skills, communication, self-esteem, confidence, problem solving, anger management, and support in effectively coping with anxiety.

Space is limited so we ask that each participant makes a commitment to attending.

This program is a community partnership with CASA-Trinity Prevention Services
and is **created BY teens, FOR teens.**

Monday – Friday

June 25, 2018 – Friday, August 24, 2018

Time: 9:00am – 4:00pm

Location: Dansville Free Methodist Church – 23 Franklin St, Dansville, NY 14437
